Tim and I would like to say how very happy we are to meet all of the camp community and have been enjoying this summer greatly! Our burn ban has finally been lifted, but please with all the wildfires going on, keep fires at a low burn and monitored at all times! We finally have the gate arm working again after the big storm on Canada Day, so don't forget your key cards for entry to the park. We would like to give a big thank you to Yanny on site #52 for all her wonderful volunteer work for organizing the church services on Sunday mornings. All are welcome to join the services at 10 am at the pavilion. We are now beginning to think about next season and if you have

any ideas on community activities and or would like to volunteer your services for them we would love to hear from you! The weather has been super humid as we all know but it is now beginning to break so please enjoy your time at the beach before its over! We do want all to enjoy your time here but do ask all alcohol be contained to your site only!

We also ask that we all watch for the children playing and riding bikes, so please keep the speed limit within 10 km as "SNIPER" is still on

duty! Let's all enjoy the rest of the sunny warm days before the cold winds blow! Just a quick mention to all seasonal campers!

We will "absolutely" be open and looking forward to seeing all of you for the complete 2019 season!

Dates to remember:

- Sept 1-3 Labour Day weekend
- Sept 8 Final hydro bill and Tab payment due.
- Oct 8 Thanksgiving Day and last day of season.

PILGRIMS CAMP BUSINESS

Attached you will find a copy of your Hydro Bill with your storage fee, clean up fee, and property tax offset if they apply. This bill is due September 8th along with any charges

outstanding on your tab. The end of the season is October 8th this year. Please plan to have your trailer winterized on or before this date. Please remember we are here to help you enjoy your time with us!
