Believe it or not, spring is almost here! The 2020 camping season opens

Friday, May 8th at 9am !!

We look forward to seeing all of you here this summer!

This year we are also looking for any volunteers that may be interested in becoming responsible for putting

together some group activities and, or maybe organizing a potluck or any other ideas for our camp family to enjoy. If this is of interest to you please contact the office and we can speak further on it. Please let your friends and family know that we are having a “FREE DAY PASS VISIT” for all on May 9th ,so maybe you can talk your friends into helping you open up your trailers for the season, or maybe just let them enjoy the park for the day !

The best way to meet new friends is simply to say “Hello”

Please help us welcome “The Holtom Family” on lot # 7 and say a quick “Hello” as you walk by this summer. We are looking forward this summer to see the gardens that our “Lady of The Gardens” has in store for us. We are so blessed to have Bev site # 18 give the effort she does to our gardens and is greatly appreciated. Please when you see her let her know what a wonderful job she is doing to improve our campground !

There is now a bulletin board outside the office on ice machine, designated for anyone looking to sell or buy a trailer. You are welcome to put a flyer and picture or information about your trailer on it, but please remember your buyer “must” have management approval if they are planning on staying in the park .

So please ask your buyer to visit office before your sale. We also do now have a form holder outside office door for those visitors coming in late after office hours to sign in before entrance to the park. We thank all ahead of time, for the help in keeping within the simple rules of our park which keeps park a clean and safe environment for all to enjoy!

We look forward to seeing all of you for here this year!

CAMP BUSINESS SECTION

Please remember to choose 1 of the 4 ways to make your 1st payment by May 10th so as to avoid a \$30 late fee and have full access to park.

1- Return 2020 pre-authorized payment form. (please remember we need new pre-authorization signed each year)

2-Send a cheque or money order by mail before May 10th

3- Call office to make phone payment with credit card (no debit cards accepted over phone)

4- Make payment at office in cash or cheque or debit/credit card by 6 pm May 10th.

Please check and make sure all contact information including valid email is correct on your invoice that you received in November.

With Great Thanks
